

**SINGIN' IN THE RAIN" PERFORMANCE INFORMATION:**

February 1st - Deadline for video submission for young Don and young Cosmo.

We are looking for 2-4 children, ages 8-11 (boys or girls playing boys) who will be filmed prior to the musical. Please submit a video of your child on a DVD to either school office.

Have your child tell a story. We are looking for children with great stage presence and expression. Only one rehearsal will be necessary for filming and parents may be asked to purchase some costume pieces.

We are looking for 2-4 parents to help with costumes. Thanks to the Riddle family, the costume closet was painted and reorganized last summer!! Mrs. Jonas and her Technical Theater class plus a few other students are coordinating outfits and need a couple other adults to help with completion. Two costumes need sewed. Please contact Kristy Jonas if you have an extreme love for theater and want to help. Also contact her if you know of any seamstress. We can provide patterns to be sewn at home.

Rehearsal schedule is in final stages and will be sent to the cast next week.

Thank you for your support in NBCA Fine Arts!
