February 2nd-5th!

Christian Youth Theater (CYT) is the nation's premier after-school theater arts training program for students ages 4 - 18. We offer three ten-week sessions throughout the school year, teaching drama, voice, dance, specialty classes, and workshops. Classes are two hours long (20 hrs. of instruction) and each session ends with an exciting showcase! Enrolled students get the opportunity audition or work behind the scenes in a Broadway-style musical performed for the community.
