

Uniforms provide a way to dress that is appropriate for learning. They provide students with a sense of belonging and allow for individual expression and identity to be functions of personality and mentality. Uniforms eliminate fad clothing from the daily “what to wear” process. Further, the uniform is symbolic of the student’s acceptance of authority over them – the authority of their parents, the school, and, ultimately, God. We want to assist our students in honoring God in the way they dress.

Lands’ End School Uniforms is the sole approved uniform provider for NBCA; all uniforms should be bought only through Lands’ End at landsend.com/school or by catalog/phone. The specific uniform guidelines are available when shopping and using the NBCA school code: 900049743.

NBCA appreciates the cooperation and support of the parents on dress code issues. We ask parents to check students’ clothing before bringing them to school. If clothing is deemed unsuitable by the administration, the student will be sent to the office to call home for an appropriate change of clothing and will remain there until it is brought. Missing class for a dress code infraction will result in an unexcused absence in class. Repeated offenses of dress code policy will result in more severe disciplinary action.

Hair, Make-up, and Ear Piercing Rules

Girls

Hair should be well-groomed and styled away from the face/eyes and not worn, cut, streaked, or colored in an extreme style or dyed in an unnatural color. We encourage a clean, wholesome look. Make-up is not allowed for elementary girls. Moderate ear piercings are allowed on the lower lobe only for elementary-aged girls. No hoop earring of any size or dangling earrings are allowed on elementary girls. No body piercing or visible tattoos (permanent or temporary) are allowed for any students.

Boys

Hair needs to be above the collar, well-groomed, and not worn, cut, streaked, or colored in an extreme style – for example, a Mohawk or dyed in an unnatural color. Hair may not be of such a length as to touch the shirt collar when standing, nor touch the eyebrows. Sideburns are to be moderate and cannot exceed the ear lobe. No ear piercing, body piercing, or visible tattoos (permanent or temporary) are allowed.

Compliance

Parents will be notified if a student’s hairstyle (e.g., a boy’s hair is too long) is not accepted by administration. Students will have one week to comply with rules concerning haircuts. After one week, non-compliance may result in a suspension that continues until the student adheres to the dress code.

The principal and administrators reserve the right to determine what is or is not an extreme style.

Spirit Days/Special Dress Days

Every Friday is School Spirit Day. On Fridays, students may wear long blue jeans, calf-length capri jeans (for girls), or school-approved uniform shorts with an official NBCA spirit shirt. On occasions throughout the year, elementary students will have special dress days. On these days, students are expected to follow written guidelines which will be provided for the day. When students are allowed to wear jeans, the jeans must not be ragged, torn, or have any holes; and the jeans must be hemmed. Students may wear closed toe shoes with spirit wear (e.g., boots, Sperry’s, etc.) provided students wear appropriate athletic shoes to p.e. class and recess. On any day (even spirit dress and special dress days), students may opt to wear the school uniform.
