

Uniforms provide a way to dress that is appropriate for learning. They provide students with a sense of belonging and allow for individual expression and identity to be functions of personality and mentality. Uniforms eliminate fad clothing from the daily “what to wear” process. Further, the uniform is symbolic of the student’s acceptance of authority over them – the authority of their parents, the school, and, ultimately, God. We want to assist our students in honoring God in the way they dress.

Lands’ End School Uniforms is the sole approved uniform provider for NBCA; all uniforms should be bought only through Lands’ End at [landsend.com/school](http://landsend.com/school) or by catalog/phone. The specific uniform guidelines are available when shopping and using the NBCA school code: 900049743.

NBCA appreciates the cooperation and support of the parents on dress code issues. We ask parents to check students' clothing before bringing them to school. If clothing is deemed unsuitable by the administration, the student will be sent to the office to call home for an appropriate change of clothing and will remain there until it is brought. Missing class for a dress code infraction will result in an unexcused absence in class. Repeated offenses of dress code policy will result in more severe disciplinary action.

### **Hair, Make-up, Nail Polish, and Ear Piercing Regulations**

#### **Girls**

Hair should be well-groomed and styled away from the face/eyes and not worn, cut, streaked, or colored in an extreme style or dyed in an unnatural color. We encourage a clean, wholesome look. For middle and high school aged girls, natural, moderate, attractive make-up and light lipstick are acceptable. Moderate ear piercings are allowed. No body piercing (including, but not limited to, nose piercing, tongue piercing, and ear gauges) or visible tattoos (permanent or temporary) are allowed for any students. Large hoop earrings (larger than a quarter) or long dangling earrings are not allowed for middle and high school girls.

#### **Boys**

Hair needs to be above the collar, well-groomed, and not worn, cut, streaked, or colored in an extreme style – for example, a Mohawk or dyed in an unnatural color. Hair may not be of such a length as to touch the shirt collar when standing, nor touch the eyebrows. No beards or mustaches are permitted. Sideburns are to be moderate and cannot exceed the ear lobe. No ear piercing, body piercing (including, but not limited to, nose piercing, tongue piercing, and ear gauges), or visible tattoos (permanent or temporary) are allowed.

#### **Compliance**

Parents will be notified if a student’s hairstyle (e.g., a boy’s hair is too long) is not accepted by administration. Students will have one week to comply with rules concerning haircuts. After one week, non-compliance may result in suspension that continues until the student adheres to the dress code.

***The principal and administrators reserve the right to determine what is or is not an extreme style.***

**Lands' End Uniforms – Girls - Required Dress Uniform (worn for chapel and special events)**
