

- We pledge to uphold the school consistently in prayer and to support and participate in school volunteer opportunities and meetings. We will serve the school with our time and talents according to God's leadership.
- In keeping with scriptural principles, we will bring any and all questions and areas of concern through proper channels of authority directly to the persons involved so that they may be properly considered. We pledge to follow the Biblical model in Matthew 18 by registering any questions or complaints about what is happening at school with the particular person involved. If a parent or student has a dispute with a teacher, the correct order of dispute resolution is as follows: Conduct a meeting with the teacher at issue. If attempts to resolve the dispute with the teacher are unsuccessful, then conduct a meeting with the school Principal. If attempts to resolve the dispute with the school principal are unsuccessful, then conduct a meeting with the Head of School. The school confesses that although all teachers and staff are chosen for their Christian commitment and high ideals, this does not make them immune from error. All suggestions and comments from parents will be examined fully, and are welcomed and encouraged for the overall strengthening of the school.
- We pledge to pay all fees and tuition for the school year on a timely basis. Furthermore, we understand that being delinquent in fees is sufficient ground for withdrawal from the school and that no transcript or report card will be issued until the money due the school is paid.
- We understand that tuition does not cover the operating expenses of the school. Therefore, we will endeavor to help meet the financial needs of the New Braunfels Christian Academy with gifts as the Lord provides and leads.
- We pledge to support the school's zero tolerance for the use of alcohol, drugs, or cigarettes on the NBCA campus and pledge to neither provide for nor encourage the use of any of these substances.
- We pledge to promote the New Braunfels Christian Academy privately and publicly, and speak well of its students, parents, staff, administration and board.
- We pledge to see that our children are dressed consistently with the dress code when they leave for school each day and when attending activities after school.
